

Be a substantial part of our team!

Venture Stars is a Munich based venture capital firm with ca. 100m Assets under Management and is focused on early-stage investments in innovative, digital B2C and B2B business models. The team of serial internet entrepreneurs currently manages three funds typically investing €500k – 2.0m EUR initially and up to 5m in total per company. Having started as an incubator, Venture Stars has a tradition of working very closely with the founders of its portfolio companies. Venture Stars' support goes beyond capital and includes know-how, network and operational manpower on topics such as strategy, organizational development, financing and exit.

We are looking for a high performance intern to closely work with our partners on all fund related topics as a

Venture Capital Intern / Working Student (m/f/d)

Your internship will last 4-6 months with the chance to continue working with us as a working student.

What you can expect...

- 360 degree active involvement and insights into all tasks and processes of a venture capital fund
- Support our deal flow (e.g. identify the most promising entrepreneurs & startups, analyze markets, business models, tech&product in a due diligence)
- Support our partners in the deal-making process (e.g. term sheet offers, deal structuring, negotiations and legal documentation)
- Support fund operations tasks like financial reportings, administrations, event planning and further projects that will come up

We want you! This role is perfect for you if you...

- Are passionate about tech investments and entrepreneurship with an interest in understanding business models
- Have a good academic track record, but more importantly you are smart, hands on and have the right mindset
- Have relevant work experience (previous internships) in a fast-paced work environment such as startups, leading tech companies, investment banks/M&A, strategy consulting etc.
- Have the ability to work independently with a proactive attitude
- Have strong organizational and prioritization skills, with a high degree of flexibility to adjust to last minute updates or changes
- Are analytical and facts-driven with a strong attention to detail
- Have an entrepreneurial mindset, open-minded personality and are fun to work with
- Have a proficient knowledge of German and English

We can offer you...

- A steep learning curve by working directly with the managing partners
- First insights in venture capital by getting to know every part of the business and building a valuable personal network in the tech ecosystem
- To have fun at work in the heart of Munich (Theresienwiese with the Oktoberfest next door) with a flexible remote work policy
